AN AYURVEDIC PROPRIETARY MEDICINE

PRESENTATION : 30gm/50gm/100gm Powder in JAR

ACTION:

HARAD CHHOTI (*Terminalia chebula*) : It is laxative in nature and also effective in inflammation of the mucous membrane and ulcers.

BAEL (*Aegle marmelos*) : Raw bael fruit is fit for use in constipation as well as diarrhea. It has mild laxative with digestive, anti-diarrhoeal & hypoglycemic activity.

ISABGOL (*Plantago ovata*) : It is a bulk forming agent. It moistens the stools and encourages proper bowel movements.

AMLA (*Emblica officinalis*) : The richest source of vitamin-C with effective antioxidant. It is laxative in nature and reduces blood sugar in diabetes.

Relieves Constipation Healthy Digestion Non-Habit Forming

KALA DANA (*Ipomoea nil*) : It is an efficient laxative with additional advantage of diuretic, anthelmintic, blood purifier, carminative and anti-inflammatory actions. Also it is use for abdominal diseases treatment.

GULAB (*Rosa centifolia*) : The medicinal benefits used as to treat reflux, as a laxative, and to reduce blood sugar. It provides hydration and cooling effect. Also relieve digestion troubles like bloating, upset tummy and constipation.

SENDHA NAMAK (*Rock Salt*) : Sendha Namak helps to relieve digestion issues. It also soothes heartburn, removes gas and improves appetite.

SAUNF (*Foeniculum vulgare*) : The fennel seed is an effective aid to digestion. It can help the smooth muscles of the gastrointestinal system relax and reduce gas, bloating, and stomach cramps.

BAHERA (*Terminalia bellerica*) : It is laxative in nature and used in the purgative therapy. It is beneficial in blood pressure and helps in lowering cholesterol level.

AJWAIN (*Trachyspermum ammi*) : The natural antacid which is beneficial for stomach and gives relief to the mucous membrane of the stomach from acidity and hyperacidity.

KALA NAMAK (*Sauvarcala lavana*) : The alkaline properties of black salt help reduce excess acid in the stomach, and its high mineral content lessens the damage caused by acid reflux. Its laxative benefits improve digestion and also alleviates intestinal gas.

SANAYA (*Cassia angustifolia*) : It is a stimulant & laxative. Speeds bowel movements and increases fluid secretion by colon.

INDICATIONS : For relief from constipation, irregular bowel habits and associated symptoms like gas, acidity and spasms. Eases bowel evacuation in painful condition of piles & fissures.

DOSAGE : 1-2 teaspoon (5-10g) followed by a glass of lukewarm water at bed time or as recommended by physician.

TUMYCOOL POWDER REGULATES THE BOWELS BY UNIQUE ACTION: Softening the stools, Increasing bulk, Normalizes the peristalsis, Digestive action, Free from side effects, Non habit forming, Sugar free ideal for diabetics.

100% NATURAL ACTIVE PRODUCT
